Mr. Harry S. Allen

Los Alamos, New Mexico

Dear Harry:

Now that the 1948 atomic weapon test program at
Eniwetok Atoll is completed, I take this opportunity
to thank you for your indispensable assistance in the
disposition of Atomic Energy Commission property.

I am aware of the outstanding job you did for J-Division.
It was particularly gratifying to have you made available
to assist me in addition to your duties with the
Scientific Director.

You represented the Atomic Energy Commission faithfully
in your negotiations with the Armed Forces. Your sound
judgment and capacity for decision were major factors
in completing the test program successfully.

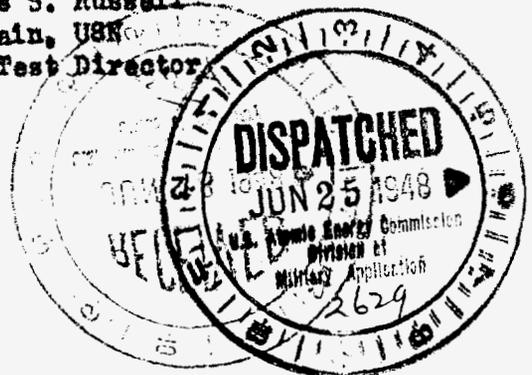

It has been a privilege to work with you, and I look
forward to our continued association.

Sincerely yours,
