Re: Contract No. DA-49-007-MD-428

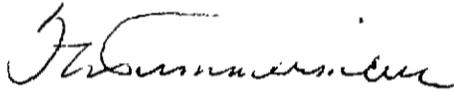

Dear Dr. Rappoport:

Thank you for your letter of 12 June 1958 transmitting your progress report and application for renewal of studies entitled "The Influence of Total-Body X-Radiation on the Kinetics of Erythrocyte Enzymes as a Biological Dosimeter", under the above cited contract.

The application is at present being reviewed by the professional staff of this office and will be forwarded to appropriate advisors for comments and recommendations.

Your continued interest in the research program of the Army Medical Service is greatly appreciated.

Sincerely,

for ARTHUR D. SULLIVAN
Lt. Col., MSC
Research and Development
Division

Dear Sir:

I am enclosing an application for continuation of a research contract. Under separate cover, I am sending by railway express ten more copies of this progress report covering the period from September 1, 1957, to June 1, 1958.

Cordially yours,

Ronald A. Rappoport

Ronald A. Rappoport
Assistant Professor
