Dr Wendell H. Griffith, Chairman
Department of Physiological Chemistry
University of California Medical Center
Los Angeles 24, California

Re: Army Contract Nr DA-49-007-MD-579

Entitled "Effect of Ionizing Radiations on the Nutritive and Safety Characteristics of Foodstuffs; Influence of Irradiated Lipids on the Incidence of Spontaneous Mammary Carcinoma and Hepatoma in Strain A and C3H Mice"
Dear Doctor Griffith:

It is a pleasure to notify you that your renewal application for a research contract, number and title as above, has been recommended for approval.

Accordingly, we have requested our Contracting Officer to extend the term of your contract to the date indicated below and increase the amount by \$89,314; extend to 31 August 1959.

Because contractual negotiations are the function of the Contracting Officer, this notification of approval is not to be construed as an authorization of any contractual liabilities under the proposed contract.

We are looking forward to receiving the results of your future studies.

Sincerely,

WILLIAM W. COX
Lt Col, MC
Chief, Medical Research Branch
Research and Development Division
