1. Reference is made to letter, The Surgeon General, file MEDDH 470.8 dated 3 March 1949, subject: "RW Research," w/1st Ind. thereto dated 1 June 1949, and letter, this office, file CMLWR-SP dated 14 June 1950, "RW Research," w/1st Ind. dated 7 July 1950.

2. With reference to letter 3 March 1949, the Office of the Surgeon General requested information on the relationship between the Medical Department and the Chemical Corps on defense against radiological warfare. First indorsement thereto, contained the Chemical Corps' proposed relationship between the Surgeon General and the Chemical Corps, and defined the responsibilities of each Corps. The first indorsement to 14 June 1950 letter contains the Medical Department concurrence with the Chemical Corps proposal.

3. It is requested that the agreement between the Chemical Corps and the Surgeon General's Office in the responsibilities dealing with radiological warfare be read for record at the next Chemical Corps Technical Committee Meeting.
