Dear Doctor Salisbury:

In reply to your letter dated 14 November, to date we have not received the recommendations of the National Research Council concerning your study on the indirect effect of radiation. However, we have been advised informally that your proposal has been reviewed by the Panel on Radiobiology, and that their findings will be forwarded to us within the next few days.

As soon as we receive the opinions of the Council, we will let you know immediately.

Sincerely yours,

JOHN R. WOOD
