Mr. John Martens
Atomic Energy Commission
1901 Constitution Avenue
Washington 25, D. C.

Dear Mr. Martens:

The attached Chapter 10 entitled "Clinical Observations in Hiroshima and Nagasaki," a portion of the manuscript "Medical Effects of the Atomic Bomb," has been reviewed by the Office of Public Information, Department of Defense, and is returned, cleared for publication and/or presentation.

It is our understanding that this approved copy will be on file at the Atomic Energy Commission, and that at a later date the published volume will be forwarded to this office for record purposes.

Sincerely yours,
