Dear Doctor Oughterson:

Thank you for your note of 8 June. It is always a pleasure to hear from you, and we are pleased to note that you are making satisfactory progress in the completion of your report on the atomic casualties.

We have received the \$65,000 which Dr Shields Warren informed you was being transferred from the Atomic Energy Commission. In so far as I know, adequate resources are now available for the completion of the monograph.

Please let me know when I can be of any help to you in your program.

Sincerely yours,

WILLIAM S STONE  
Colonel, Medical Corps  
Chairman, Medical Research  
and Development Board
