Bur. Voucher #39 - \$206.06

Gentlemen:

This is in reply to your letter of 4 March 1958, regarding the referenced vouchers.

As soon as the Army Audit Agency issues an advisory audit report on the overhead rate applicable to the Fiscal Year ended 30 June 1957, we will be in a position to determine whether a change will be required in the overhead applicable to the referenced vouchers. We will not be able to process Voucher No. 52 in the amount of \$5,000, however, until the final scientific report is received by the Project Officer.

Sincerely yours,
