Dear Dr. Dunham:

Today I forwarded to our administrative offices a research proposal that I hope will reach you shortly. I have already corresponded with you regarding this proposal and my letters to you are dated July 11, and October 20. You may want to refer to this correspondence in connection with my application. (See also your replies: BMM:CLD dated July 17, BMB:NET dated August 26, and BMM:JFH dated November 3.)

There is, of course, the question of the budget. The amount requested will enable us to proceed at a good clip and to lay the needed groundwork for the studies in man. It was with this point in view that the budget was prepared.

Sincerely yours,

I. L. Chaikoff
