Dr. J. F. Loutit
Oak Ridge National Laboratory
P. O. Box 9
Oak Ridge, Tennessee
c/o Dr. Alexander Hollaender

Dear Dr. Loutit:

I'm terribly sorry that I missed seeing you yesterday. My father, who is 84 years old, became quite ill and I did not get back to the laboratory in time to see you before you left. However, I have full confidence that the men who saw you, Drs. Jones, Gofman and others, showed you what is going on here. We were extremely happy to have you visit us, and I'm only sorry I missed you and the opportunity of taking you around personally.

If by any chance you are going to be west in the United States for a longer period of time, I'd appreciate hearing of this, since I'd like very much to have you out to my home for dinner. Would you let me know what your future plans are?

With kindest regards,

Very sincerely,

John H. Lawrence, M. D.
