MR. W. B. REYNOLDS

Re: Incidence of Leukemia.

Dear Mr. Reynolds:

Attached is the information requested on leukemia in your letter DC 62-798 from Mr. P. M. Goodbread. The information applies to Berkeley only. However, I have checked with Dr. Biggs and there are no cases to report from Livermore.

Mr. Goodbread also asked for the man years involved in the AEC contract to date. I haven't included that, but no doubt you have that figure.

Please let me know if I can be of further assistance.

Sincerely,

Howard G. Parker
