LAWRENCE RADIATION LABORATORY  
BERKELEY 4, CALIFORNIA

August 21, 1962

Mr. J. W. Thomas, Chief Counsel  
San Francisco Operations Office  
U. S. Atomic Energy Commission  
Berkeley 4, California

Subject: Radiation Cases

Dear Mr. Thomas:

In reference to your request of August 15, I am enclosing the medical and radiation exposure records available at the Radiation Laboratory in connection with the cases of:

- 1. [REDACTED]
- 2. [REDACTED]
- 3. [REDACTED]
- 4. [REDACTED]
- 5. [REDACTED]

These are internal records which we are making available to you on the basis that you will copy what you need and return what was forwarded. We have had delivered to Mr. Carroll certain other records on open cases received from the State Industrial Accident Commission.

We will attempt to obtain the information you have requested on closed cases, such as applications, employer's report of injury, orders, and other formal documents.

Sincerely yours,

W. D. Douglass
