Office of the Vice President for Research  
203 Administration Building

AIR MAIL

U. S. Atomic Energy Commission  
Washington, D. C. 20545

Gentlemen:

Enclosed is a revised budget page prepared by Associate Professor C. Alvin Paulsen, Department of Medicine, School of Medicine, in connection with the previously transmitted request for renewal of Contract No. AT (45-1)-2225, "The Study of Irradiation Effects on the Human Testis Including Histologic, Chromosomal and Hormonal Aspects." The sum of \$32,500 is now requested for the period from May 1, 1970, through April 30, 1971.

I hereby approve this revised budget for the University of Washington and trust that it will facilitate your action on the proposal.

Sincerely yours,

*George W. Farwell*

George W. Farwell  
Vice President for Research
