ATOMIC ENERGY COMMISSION

CANCER - PRODUCING AGENTS IN ANIMALS

Note by the Secretary

1. At Meeting 1572 on December 11, 1959, the Chairman referred to a recently reported statement by the American Cancer Society relative to cancer-producing agents in animals and possible effects to human beings. The Chairman requested that this reported statement by the American Cancer Society be verified, and the Commission informed of any further details.

2. Attached for the information of the Commission is a memorandum submitted by the Director of Biology and Medicine in response to the above request.

W. B. McCool
Secretary
