TO Mr. Wm. B. Harrell

DEPARTMENT Business Manager

FROM L. T. Coggeshall, M.D.

DEPARTMENT Biological Sciences

IN RE:

Attached is a copy of a letter I am sending to Shields Warren setting forth the details of our recent conference about initiating Skaggs' program at the Accelerator Building. If possible, I would like to see this program initiated by July 1 and would like to request that you make the necessary arrangements.

If there is any help you need from us, please let us know immediately.
