Dr. R. A. Conard
Medical Department
Brookhaven National Laboratory
Upton, L. I., New York

Dear Doctor Conard:

It is my pleasure to advise you that as of July 1, 1957 you have been appointed to the Hospital Committee on Radioisotopes for Clinical Use to serve as a member until June 30, 1958. For the coming year other members will be Doctors Borg, Shreeve, and Stiekley, Chairman, each to serve concomitant terms, and Doctors Farr and Robertson serving ex officio. I sincerely hope it will be possible to hold regular meetings of the Committee and to further its work particularly as to record keeping and evaluation of radiation effects.

With best personal regards, I am

Very sincerely yours,

Lee E. Farr, M. D.
Medical Director
