## Using Left Overs to Make Energy

MSA-EFRC

THE STUFF IN THE WATER GOT INTO THE LEFT OVERS AND FORMED TINY BALLS THE COLOR OF THE SUN. THE BALLS ARE SO SMALL NO ONE CAN SEE THEM.

ENERGY WOMAN TOOK A LOOK AT THE WATER AND WAS CERTAIN THAT THE TINY BALLS COULD BRING MORE ENERGY TO THE WORLD. SHE PUT THE STUFF IN A BOTTLE AND LEFT TO STUDY THE TINY BALLS TO MAKE MORE ENERGY! THE END!
