BUSINESS SECURITY RISK WORKSHOP

SAND2018-2908C

Event Date: April 17th, 2018

Time: 9:00 am to 4:00 pm

Location: Lobo Rainforest Building

Address: 101 Broadway Blvd NE, Albuquerque, NM 87102

Sandia National Laboratories is a multi-mission laboratory managed and operated by National Technology & Engineering Solutions of Sandia, LLC., a wholly owned subsidiary of Honeywell International, Inc., for the U.S. Department of Energy's National Nuclear Security Administration under contract DE-NA0003525. SAND2018-XXX

Welcome

Welcome to the Business Security Risk Workshop!

Get the information you need to know about cybersecurity, information protection, import/export controls, and counterfeit risk prevention that will better prepare your business for government contracting.

Our guest speakers will provide insights into best practices and measures you can take to establish or improve your security program, protect your business, and increase your security posture.
