## 2015 DOE HR COMPENSATION MANAGERS' MEETING

Los Alamos National Laboratory and Sandia National Laboratories are excited to be co-hosting this year's conference in Santa Fe, New Mexico. We're bringing together leaders of compensation and benefits, rewards, performance and HR strategy to help you gain knowledge and shift your way of thinking around talent strategies to better prepare for the effects of the changing workforce in today's evolving business environment.

In addition to hearing about best practices and trends in total rewards strategy, you will gain knowledge, tools and helpful information for motivating and retaining your current employees. We look forward to seeing you there!

**More detailed information will follow soon.**
