- What's your culture?
- What's your support?
 - Leadership
 - Working Group
 - Knowledge, skills, abilities
 - Motivation

Take Stock in What You Have/Know

- What's your network?
 - Who can you reach out to when you have issues or questions?
- What's your authority?
 - How well are Program responsibilities documented?
 - What about OSWG members and OPSEC POCs, do they have authority?
- What's in your toolkit?
 - Do you have standard processes, checklists, forms, templates, etc.?
