Sandia National Labs

Sandia National Laboratories is a multi-mission laboratory managed and operated by National Technology & Engineering Solutions of Sandia, LLC, a wholly owned subsidiary of Honeywell International Inc., for the U.S. Department of Energy's National Nuclear Security Administration under contract DE-NA0003525.

## 2 Drilling for Forward Supply

### Fundamental Challenges

- Material reduction (depends on conditions)
- Tool rotation
- Navigation
- Steering
- Obstacle/formation detection
- Tool life
- Rapid, moderate diameter HDD

### Performance Limiters

- Power = speed
- Cuttings management
- Borehole stability

### Opportunities/Challenges

- See above
