

## **Purchase Requisition 1509684**

### **STATEMENT OF WORK**

The Contractor shall provide the following goods and/or services:

- Sandia National Laboratories personnel shall travel to Contractor's facility to conduct experiments involving the proton irradiation beam.
- SNL-owned commercial products shall be shipped from Sandia to arrive at the Contractor's facility on or before December 13, 2012.
- Following completion of testing at TRIUMF, the Contractor shall return the shipped Sandia-owned test equipment to Sandia.

The total price of the contract includes:

- Customs brokers fees in order to clear Sandia-owned test equipment in and out of Canada.
- Shipping charges to return the Sandia-owned equipment to Sandia.

The Contractor shall invoice Sandia for the actual customs broker fees and shipping charges incurred.
