

Dr. (Professor) Holger H. Mey, is Head of Advanced Concepts, Defence & Security, European Aeronautic Defence and Space Company (EADS), Munich, Germany. Before joining EADS in June 2004, Prof. Mey worked for 12 years as a self-employed security policy analyst and consultant in Bonn, Germany. During those years, he directed more than 30 studies for the German Ministry of Defense.

Dr. Mey will participate as a distinguished speaker in Sandia's National Security Speaker Series on December 4, 2012. Dr. Mey will present a lecture and Q&A session on 'The Future of Nuclear Deterrence' in CNSAC auditorium, building 810, room C117. Dr. Mey will also meet with Sandia subject matter experts and hold a Nuclear Policy Roundtable and discussions on other Research and Development topics. All discussions will be held at an unclassified level.
