Hello Don,

My name is Valerie Ellifson from *Quality Progress* magazine. Thank you for participating in the 2011 QP Salary Survey. We're gearing up to meet upcoming deadlines for the December issue that will feature the survey results, and I wanted to follow up with you.

In packaging the results in the print and online parts of the magazine, we plan to sprinkle photos and quotes from survey-takers to provide readers with different opinions and insights. We are considering using your response to the question "What do you like best about working in quality?"

"What I like best is the demand for my services. Quality is hard work that many do not want to do. It provides great opportunities for those willing to do hard work."

Please confirm by **Friday, Oct. 14** that you're interested in being considered for the Salary Survey package. **In your reply, please include your exact title, the name of the organization you work for, as well as an digital photo of yourself so we can place it alongside your quote.**

Let me know if you have any questions.

Thanks again, and I look forward to hearing from you soon.

Sincerely,

Valerie Ellifson, CQIA
