

SNL Solid Waste Transfer Facility (SWTF) Construction/Demolition (CD) Recycling Center Disposition form

Important Notes: Hazardous and radiological materials are prohibited. Liquids are prohibited.

Construction/demolition (CD) waste containing liquids and/or contaminated with hazardous and/or radiological materials are prohibited. Only CD waste originating from onsite Sandia project work is acceptable. Observe the same Health and Safety requirements that are applicable to your work site.

Project Description (inc. Bldg #): _____

Identify CD Waste Materials Deposited in Labeled Containers		
		Yes
1	ALUMINUM CANS: Aluminum beverage cans only. NO aluminum foil, pans, or other items [see "Aluminum (Not Cans)" below].	<input type="checkbox"/>
2	ALUMINUM (NOT CANS): Any and all aluminum items, other than beverage cans. Aluminum sheet, plate, foil, or other items. NO sealed aluminum containers, devices, or items containing residues.	<input type="checkbox"/>
3	BRASS: Any and all brass items. Brass tubing, piping, fittings, valves, hardware, fasteners, etc. NO sealed brass containers, devices, or items containing residues.	<input type="checkbox"/>
4	CARDBOARD: Clean, corrugated cardboard. Remove any packing material. Knock down and fold flat. NO chip paper or chipboard is allowed, such as cereal boxes and file folders.	<input type="checkbox"/>
5	CARPET: Clean, dry carpet tiles and/or carpet roles. Clean carpet is free from dirt, demolition debris, garbage, and tack strips. Stack carpet tiles neatly inside container. Pack tightly rolled carpet neatly inside container. Scrap and waste carpet from new installations must be packaged in cardboard boxes and stacked neatly inside container. NO carpet padding.	<input type="checkbox"/>
6	COPPER WIRE: Insulated or bare copper cords, wire, etc. NO electronic devices.	<input type="checkbox"/>
7	COPPER (NOT WIRE): Any and all copper items, other than copper wire. Copper tubing, piping, fittings, etc. NO sealed copper containers, devices, or items containing residues.	<input type="checkbox"/>
8	OTHER METAL: Any and all metal items (ferrous or non-ferrous), other than those identified above. NO sealed metal containers, devices, or items containing residues. NO pressurized cylinders or aerosol cans.	<input type="checkbox"/>
9	REUSABLE SHIPPING PALLETS: Good condition reusable shipping pallets. Stack neatly at location indicated by signage.	<input type="checkbox"/>
10	WALLBOARD: New, clean, unpainted, un-textured gypsum wallboard. Absolutely NO drywall screws, fasteners, tape, texture, trash or other debris.	<input type="checkbox"/>
11	WOOD: Unpainted, untreated lumber, all dimensional lumber, and unusable wood shipping pallets. NO railroad ties, telephone poles, plywood, OSB, or particle board. NO metal fasteners (such as nails) larger than 1/4-inch in diameter.	<input type="checkbox"/>
12	CD WASTE: Concrete, glass, brick, asphalt, plastic, insulation, roofing material etc. from construction/demolition Projects.	<input type="checkbox"/>
13	NON-CD WASTE: Household-type waste items, including food containers, paper cups, plastic bottles, etc.	<input type="checkbox"/>

**SNL Solid Waste Transfer Facility (SWTF)
Construction/Demolition (CD) Recycling Center
Disposition form**

SWTF CD Recycling Center Hours of Operation are:

Monday – Friday
7:30 am to 12:00 pm
1:00 pm to 3:30 pm

For Additional Information Contact:

Dave Castillo, SWTF Site Coordinator
284-4192
dhcasti@sandia.gov
or
Doug Vetter, Pollution Prevention
284-3210
dwwette@sandia.gov

General Instructions:

1. Access the SWTF CD Recycling Center from P-Avenue. Always follow one-way traffic flow through the Recycling Center.
2. Complete (1) Disposition Form for each visit to the CD Recycling Center. Blank forms are available at the distribution box located just inside the entrance to the CD Recycling Center. Completed Disposition Forms are to be deposited in the drop-off box located near the exit of the CD Recycling Center.
3. Place recyclable materials in the container(s) labeled for such materials. If it is uncertain as to which container a waste material should be deposited, ask SWTF staff. In the event that the uncertainty cannot be resolved, place the waste material in the roll-off container marked for “CD Waste.”
4. Always observe and follow the directions and requirements of signage at the CD Recycling Center.
