

## Inter-Lab Networking Discussion: Interns from Posting to Staff Transition

Andrew Brungard (SNL)

NLIT Summit 2023

Thursday, June 29<sup>th</sup>, 2023 | 16:30 – 17:10

Milwaukee, WI

Sandia National Laboratories is a multimission laboratory managed and operated by National Technology & Engineering Solutions of Sandia, LLC, a wholly owned subsidiary of Honeywell International Inc., for the U.S. Department of Energy's National Nuclear Security Administration under contract DE-NA0003525.

Sandia National Laboratories is a multimission laboratory managed and operated by National Technology & Engineering Solutions of Sandia, LLC, a wholly owned subsidiary of Honeywell International Inc., for the U.S. Department of Energy's National Nuclear Security Administration under contract DE-NA0003525.

### Goals

Develop list of who is involved heavily in this space at their Lab

Connection building across Labs

Knowledge sharing

Other ideas?

### Potential Ongoing Activities

Distribution mailing list

Regularly occurring meetings

SharePoint for interns and staff to post relevant info to foster connections

Annual NLIT meet-up

Other ideas?
