## Geothermal Resource Assessment Program Bibliography

### In Preparation

Kajiwara, L., Thomas, D., and Cox, M., Hawaii geothermal factbook directory.

Kajiwara, L., and Thomas, D., Annotated bibliography of geothermal resources and development in Hawaii.

### Progress Reports Submitted to the Department of Energy

Progress Report #1, University of Hawaii efforts associated with the Western States' Cooperative Direct Heat Geothermal Program: submitted as an Interim Progress Report for DOE-DGE Contract EW-78-S-07-1713.

Progress Report #2, University of Hawaii efforts associated with the Western States' Cooperative Direct Heat Geothermal Program: submitted as an Interim Progress Report for DOE-DGE Contract EW-78-S-07-1713.

Western State Cooperative Direct Heat Resource Assessment, Phase I, Final Report, 1978, DOE/ID/01713-4.

Investigation of a Potential Low Temperature Resource on the Island of Oahu, Hawaii: Final Report, DOE/ID/01713-5.

Direct Heat Resource Assessment: Year I, Final Report, February 1, 1979 to January 31, 1980: DOE Contract DE-AS-3-ET7927023, DOE/ID/27023-4.

Direct Heat Resource Assessment Interim Report, February 1, 1979 to January 31, 1980: DOE Contract DE-AS03-ET7927023, DOE/ID/27023-4.

Technical Progress Report, February 1, 1980 to August 1, 1980: DOE Contract DE-AC03-80SF10819, DOE/ID/10819-1.

Interim Report on Geochemical Results of Production Test of HGP-A, May 1980: HGP Wellhead Generator Project, DOE Contract ET-78-C-03184.

May 1981
