**Summary of Activities**

During the quarter ending March 31, 1998, the IACs in the Western Region issued assessment reports to 16 clients for the 1996-97 program period.

The attached summary, Table 1, shows the aggregate numbers of industrial assessments performed by, reports received from, critiques completed and returned to, and implementation reports completed by each of the Western Region IACs under the 1995-96 program period through the quarter ending March 31, 1998. Table 2 shows the numbers of industrial assessments performed by, reports received from, critiques completed and returned to, and implementation reports completed by each of the Western Region IACs under the 1996-97 program period.

**Progress on Energy Audits, Industrial Assessments, and Implementation Reports**

Three hundred fifty-five industrial assessments have been completed for the 1996-97 program period and all of those reports have been received. All reports have been completed for the 1995-96 program period.

The IACs have collected most of the implementation data for the 1995-96 program period and have begun collecting the data for the 1996-97 program period.

**Other Activities**

Material was prepared for the IAC annual report for FY 96.
