Contracts Management Division

- The Contracts Management Division (CMD) solicits, awards, directs, negotiates, administers and performs all operational and management responsibilities pertaining to procurement in support of Office of Civilian Radioactive Waste Management (OCRWM) requirements.
- CMD mission objectives include
 - Obtaining the best value
 - Providing timely customer service
 - Maintaining public trust
 - Fulfilling all policy objectives

Business Opportunities

- We are interested in talking to you about potential contract opportunities such as
 - Commodities
 - ♦ Computer hardware and software
 - ♦ Office supplies
 - ♦ Scientific equipment
 - ♦ Conference room / meeting space
 - ♦ Reference material
 - Services
 - ♦ Information technology support
 - ♦ Management and technical support
 - ♦ Administrative support
 - ♦ Quality Assurance support
 - ♦ Custodial / facility maintenance

E-Commerce

- Information on doing business with the Department of Energy (DOE) can be found on the DOE's e-Center (www.pr.doe.gov)
 - View current business opportunities
 - Register to receive notification of new business opportunities
 - Obtain information and guidance on the acquisition and financial assistance award process
 - If you are interested in doing business with OCRWM, which includes the Yucca Mountain site, please register and subscribe at the e-Center

Note: While all DOE program offices publish their procurements on this site, please be advised that all OCRWM procurements must go through (or be processed) by ORD CMD.
