Retirement Announcements (Sharon Jordan) - Nancy Doran of PNNL and Dennis Gound of the ORNL Site Office are retiring. This call was their last STIP event. We wish them well; they've been valuable members of the STIP community. At OSTI, Patty Simmons is also retiring.

2011 STIP Working Meeting (Kathy Waldrop) – The 2011 STIP Working Meeting is rapidly approaching and there are just a few details that need to be shared prior to the meeting which is scheduled for week of May 2, Pleasanton, CA. Isom Harrison, LLNL STI Manager will host the meeting and has arranged a tour of the National Ignition Facility (NIF).

In addition, there will be an STI Program Orientation, E-Link Training, and Information Product Demonstrations. All new STIP participants should participate in the STIP Orientation. There will also be separate pre-STIP Working Meeting sessions for DOE and DOE major site/facility management contractors. Please send recommended discussion topics to Kathy Waldrop and Isom Harrison, respectively.

OSTI would like to know which sites plan to be represented at the 2011 STIP Working Meeting. Also, OSTI would like recommendations for meeting topics to finalize the draft agenda and if individuals are interested in presenting any of the topics.

Hotel Reservations need to be made nlt Monday, April 18 and can be done via STIPWorks.

STIP attendees can fly into either the San Francisco or Oakland airport and take the BART to Pleasanton. The hotel offers complimentary shuttle to and from the nearest BART station.
